Re: Supreme Court No. 82225-5 - City of Port Angeles v. Our Water-Our Choice, et al.
Court of Appeals No. 36935-4-II

Clerk and Counsel:

The Court of Appeals has forwarded the petition for review and related Court of Appeals case file in the referenced matter. The matter has been assigned the Supreme Court cause number indicated above.

The parties are directed to review the provisions set forth in RAP 13.4(d), regarding the filing of any answer to petition for review and any reply thereto.

The petition for review will be set for consideration without oral argument by a Department of the Court; see RAP 13.4(i). If the members of the Department do not unanimously agree on the manner of the disposition, consideration of the petition will be continued for determination by the En Banc Court.

Usually there is at least 6 months between receipt of the petition for review in this Court and consideration of the petition. This amount of time is built into the process to allow an answer to the petition and for the Court's normal screening process. At this time it is not known on what date the matter will be determined by the Court. The parties will be advised when the Court makes a decision on the petition.

It is noted that any amicus curiae memorandum in support of or in opposition to a pending petition for review should be served and received by this Court and counsel of record for the parties and other amicus curiae by not later than 60 days from the date the petition for review was filed; see RAP 13.4(h).

Sincerely,
