

AGREEMENT

This Agreement is entered into as of April 24, 2007 by and between Washington Dental Service Foundation, LLC, a Washington limited liability company ("WDSF"), and the City of Port Angeles, Washington, a municipality (the "City") (collectively referred to herein as the "Parties").

Article I.

WDSF, in furtherance of the Gift Agreement dated March 1, 2005, has offered an additional contribution for the betterment of the City's Public Works and Utilities Department. The City is in need of an equipment storage shed for use by the City's Public Works and Utilities Department.

Article II.

WDSF agrees to purchase and deliver to a site designated by the City a free-standing equipment storage shed for use by the City's Public Works and Utilities Department. The City agrees to set up the shed on the specified site and perform all required maintenance on the shed for a minimum period of ten years. Neither party shall have any other or additional obligation to the other on account of this Agreement.

Article III.

This Agreement constitutes the entire agreement of the Parties with respect to the subject matter hereof.
